B-O-F LED Lighting®

THE PERFECT LED LIGHTING SOLUTION FOR MERCHANDISING EXCELLENCE

Optimizing merchandising lighting to a new level is now available with your B-O-F merchandising system.

Maximize product lighting

Specifically designed into the price tag molding to optimize product visibility.

Integrated design

The LED lighting is integrated into the price tag molding providing the best aesthetic appeal. Additionally, the lighting is placed where it maximizes the product, and eliminates customers visibility of the LED light source.

Retrofit to existing B-O-F merchandisers

The LED solution can be retrofitted to any existing B-O-F Versa Rack, Milk Moover, or Nyla-Track merchandiser.

Take advantage of an integrated LED lighting system to maximize sales regardless of packaging.
