VersaShelf-RetroFit

THE MOST VERSATILE MERCHANDISING SOLUTION ON THE MARKET

VersaShelf is the ultimate gravity shelving system on the market. Its unique versatility allows merchandisers to face a variety of products on a single shelf. Utilizing our proprietary glide sheet and adjustable patented dividers ensures continuous facings and increased sales.

VERSASHEETSLIDE + VERSASHEETROLL- RETROFIT

Superior product presentation

Dividers adjust in 1/8" increments providing a more dynamic product mix and additional facings.
