Versa™ Dunnage

THE PERFECT SOLUTION FOR STORAGE SHELVING

Dunnage shelving needs to allow for simple, easy, and flexible layouts, while providing the ultimate in visual appearance.

Maximize organization of storage shelving
Designed to solve organizational challenges for any space. Shelves are adjustable in 1" increments, and do not require any tools.

Enhance the customer & employee experience
Versa™ Dunnage shelving makes it very simple to see, and retrieve any product from all spaces.

Make it easy for your employees and customers to find and retrieve merchandise.
